ORGANIZING COMMITTEE	PARTICIPANTS

AMENDMENT TO THE NOTICE OF RACE**(CHANGE)****21 Prizes**

Racing prizes will be given as follows:

- Class 1: winner, 2nd place, and 3rd place
- Class 2: winner, 2nd place, and 3rd place
- Overall winner:
 - This trophy will be awarded to the winner of classes which final entry numbers will be equal or more than 3 and the minimum of races sailed during the event being 2.
 - No provisional classification for this trophy will be published during the series due to the minimum of races needed. Once official and final, the general classifications will be communicated to the winner.

The points awarded to the winner will be applied as follows:

BEING

Ni = number of entries in each class

CoNi = coefficient number of the entries in the class = $\sqrt{Ni}$

Pr = number of races sailed in the class

De = number of discards applied to the class

Pt = points obtained by the winner of each class.

RESULTING

Coefficient point = $Pt/CoNi$

Average points = $\text{Coefficient points} / (Pr - De)$

The Overall winner will be the boat with the minor Average points scored in her class. Ties will be broken in favor of the boat with the best position of the combined race (start together and same course for all classes).

In case this combined race is not held, ties will be broken in favor of the boat with more first places, more second places and so on, in their group or class. If the tie remains, this one will be broken in favor of the boat with more entries in her group or class.
